About Us

WMSG has been established since 1934. The grounds are situated just 13 miles north of Telford in the heart of Shropshire. The ground itself has the appeal of the finest golf course; a maze of beautifully maintained paths lead you to the 80 plus stands, boasting over 200 clay pigeon traps of the finest sporting targets on offer in the UK today.

We are open Monday - Saturday 9.00am – 5.00pm.

All shooting is by appointment (apart from a Tuesday).

Please see Open Practice for details.

Tom and Debra Jones who have been instrumental in their organisation with perfection to every detail on planning to ensure the success of your day's entertainment privately own WMSG. We understand in the right environment you can establish and consolidate relationships and build the foundations for increased business in the future. We tailor every day to individually suit your requirements whether a corporate event, family gathering, hen/stag party, group of friends, visiting gun club etc.

WMSG is justly famous for its high standard of personnel tuition, our instructors are well used to passing on their expertise to shooting parties, whether they be corporate or private shoots, or to an experienced shot or complete novice. We offer a selection of packages for non SGC holders ranging from 1-3 people and 4 + people. For SGC holders we can tailor a sporting session for your party's requirements and abilities.

The Scandinavian log cabin was the first of its kind on a shooting ground in Britain, built in 1984. Having served the business well for 30 years, it has recently been extended to cope with the growing business. With 3 function rooms (seating up to 100), large gun shop, open café and restaurant.

We are proud to have been the 1st Gun room in the UK to become a Beretta shop in shop and to been offered a Premium dealership.

Corporate Events

We understand in the right environment you can establish and consolidate relationships and the build the foundations for increased business in the future.

Be assured that your customers safety is taken to the highest of priorities; our health and safety program along with risk assessment are closely monitored.

Clay shooting is incredibly popular as an exciting and original event to entertain clients or for a team building exercise. We pride ourselves on our ability to offer a unique, enjoyable, exciting, unforgettable experience of a shooting event.
